

AlsterGlanz Reinigung - sample month

A simple monthly snapshot showing whether the review collection system is being used consistently.

Metric	This month	Note
Review requests sent	18	Mostly via WhatsApp after completed jobs
New Google reviews	7	Strongest response came from same-day requests
Estimated conversion	39%	Requests that turned into visible reviews
Follow-ups due	4	Send one friendly reminder after 2-3 days

Recommended next action

Keep asking satisfied customers on the same day the job is completed. The next improvement is to make sure follow-ups are sent within 2-3 days when no review appears.

Reminder: only ask real customers for honest reviews. Do not offer rewards for positive reviews.
